

Boolean's TRAVEL

Let's build a great team together!

- Boolean functions are forever
- Just Boolean it
- There are some things money can't buy. For everything else, there's a Boolean function
- Because They're Worth it

Participants:

- Lilya Budaghyan - Tor Helleseth - Robert Coulter
- Chunlei Li - Marco Calderini - George Petrides
- Diana Davidova - Nikolay Kaleyski - Dan Zhang
- Fady Ghrrer - Irene Villa
